Trainer Notes _____

Because our pets are living creatures, learning and training is an ongoing process. Due to the affect of the unlimited distractions, challenges and difference in environments, personalities and situations in life, the outcome of training efforts can be expected to be as individualized as each of our pets. Stay N Play Pet Ranch, Inc.'s® professional trainers work diligently to assist pet owners in their efforts to achieve the desired behaviors for each pet. We can only train, coach and assist in this endeavor and are unable to guarantee a specific behavior or consistency of that behavior in limited time.

Thank you for entrusting your pet's training with us and working with us to achieve the best possible results that breed, age, disposition, and time will allow.

Release: I (we), the undersigned, in conjunction with my (our) request to have my (our) dog(s) participate in a training program at Stay N Play Pet Ranch®, do hereby agree to release, discharge and/or hold Stay N Play Pet Ranch® and/or their associates harmless from any and all claims, causes of action or demands growing out of or arising by reason of training my (our) dog or my (our) dog's use of Stay N Play Pet Ranch® facilities or participation in a Stay N Play Pet Ranch® training program.
